Kind zu sein bedeutet, das Leben als kreatives Spiel zu sehen. Der Alltag wird zur aufregenden Entdeckerreise, denn in jeder Kinderzimmer-Ecke gibt es Spannendes zu erleben und Neues zu lernen. Wer sich seiner Fantasie hingibt, erlebt eine Reise in farbenfrohe Zauberwelten, träumt von Disney Helden oder weckt seine Abenteuerlust mit einem spontanen Besuch der Star Wars Galaxien. Into Adventure ist die Fototapetenkollektion von Komar, die kleine und große Abenteurer auf fantasievolle Art in märchenhafte Welten begleitet und stets offenbart, dass auch ein Urlaub im eigenen Zuhause ein echtes Wunder sein kann.

Being a child means seeing life as one big creative game. Everyday routines become exhilarating journeys of discovery, and in every corner of kids' rooms there's fun to be had and things to learn. If you give your fantasy free rein, you can immerse yourself in magical worlds, dream of Disney superheroes or discover your spirit of adventure with a spontaneous voyage to the Star Wars galaxies. Into Adventure is a photomural collection from Komar that takes young and old adventurers into mythical worlds and shows that even holidays at home can be wonderful experiences.

Être enfant, c'est voir la vie comme un jeu créatif. La vie quotidienne devient un voyage de découverte passionnant, car il y a des aventures passionnantes à vivre et de nouvelles choses à apprendre dans chaque coin d'une chambre d'enfant. Qui-conque laisse libre cours à son imagination peut voyager dans des mondes magiques aux vives couleurs, rêver aux héros de Disney ou éveiller sa soif d'aventure par une visite des galaxies de Star Wars. Into Adventure est la collection de posters XXL de Komar, qui accompagne sur le mode de l'imagination les petits et les grands aventuriers dans des mondes féériques et démontre encore et encore que même des vacances passées à la maison peuvent être une source d'émerveillement.

# Into the Woods

Kleine Entdecker auf großer Safari: Mystische, vergessene Orte, märchenhafte Motive und wilde Tiere aus dem Dschungel erzählen ihre Geschichten. Die Kinderzimmer-Tapeten laden dazu ein, inne zu halten, dem Rauschen der Blätter und dem geheimnisvollen Geflüster des Zauberwaldes zu lauschen.

Little explorers on big safaris: mystical, forgotten places, magical motifs and wild jungle animals tell their tales. These kids' room wallpapers invite you to sit back and take in the sound of rustling leaves and the mysterious whispers of enchanted forests.

Petits explorateurs pour grand safari : des lieux mystiques et oubliés, des motifs de contes de fées et des animaux sauvages de la jungle ont chacun leurs histoires à raconter. Ces papiers peints pour chambre d'enfant invitent à faire une pause, à écouter le bruissement des feuilles et le murmure mystérieux de la forêt enchantée.

## Into the Oceans

Für kleine Meerjungfrauen und mutige Taucher entsteht ein Zuhause im Meer. Begleitet von der Melodie der Wellen und mit der unendlichen Weite des Meeres, verwandelt sich jedes Kinderzimmer in eine prächtige Unterwasserwelt und alle Meerestiere sind mit an Bord.

Creating a sea-themed home for little mermaids and intrepid deep-sea divers. To the gentle sound of the waves and with views of the vast ocean, kids' rooms can be transformed into magnificent underwater worlds, and all sea creatures are on board.

Les petites sirènes et les plongeurs intrépides vont trouver un nid douillet au fond de la mer. Bercée par la mélodie des vagues et sur fond d'étendue océanique infinie, une chambre d'enfant se transforme en un magnifique univers sous-marin hébergeant toutes les créatures marines.

# Into Dreaming

Mit Sinn für Geborgenheit und all den Lieblingstieren unserer kleinsten Mitbewohner, sorgen die Baby-Zimmer-Tapeten noch vor dem Laufenlernen für ein friedliches Ambiente über dem Babybett. Liebliche Kuckuck-Motive in pastelligen Nuancen machen Mut auf erste Krabbelversuche.

Wallpapers featuring babies' favourite animals create a calm and restful atmosphere in nurseries. Cute pastel peek-a-boo motifs encourage tiny tots to make their first attempts at crawling.

Grâce au sentiment de sécurité qu'ils apportent et à tous les animaux préférés des tout petits, les papiers peints pour chambre de bébé permettent de créer une ambiance paisible au-dessus du berceau du bébé avant même qu'il n'apprenne à marcher. De jolis motifs de coucous dans des tons pastel encouragent les premières tentatives de déplacement à quatre pattes.
